ADMINISTRATION

Dear Alpha /llice:
I have been esting in the vest camp
dining hall for several days now. I
have noticed that something strange
is happening to me; I believe I have
fallen in love with the cook. I have
spent many years looking for a ledy
like this and now the word matrimony
is stuck in my mind. What shall I do?
Over-weight

Dear Over-wight:
The cook has elready been spoken for.
I suggest you see your commissioner
and learn to cook fantastic meals
yourself.
