EAST CIMP

East Camp Field Sports announces the opening of but yet snother sres, the Field /rchery Renge. Come try your hand at shooting erchery amongst the wilds of Ma-Ka-Ja-Wen.

Monday afternoon at 2PM, totin' chip in the Dust Bowl Commissioners Site. #11 SPL's should come, since every boy in camp must have a totin' chip to use a knife, eye or sev.

Papa Burgdorf's pizzeris will open thight et 10PM for ell staff in the East dining lodge.

Mile Swim today at 2:30. Remember you must supply your own guards.

WEST CIMP

There will be a campwide service project at 2:00 this afternoon...meet at the old obstacle course!!!

There will be a brief meeting for all O/ members outside of the Mest Comp Office immediately following lunch today.

To all Scoutmesters and SPL's: If you have not started passing your scouts on totin' chip see your commissioner today. It is very important that every scout review how to poperly use a knife and axe.

The Northwoods Construction Co. Right Annex will be holding a knife and are demonstration on Manay, all afternoon. SPL's should come down and get their totin' chip for their troop some time during the afternoon.

It's that time one again when respherries ripen and pies start coming to the minds of gourmet cooks. If this all sounds delicious to you, show up at the Northwoods Construction Co, Left Anney and help us. Collect the necessary ingredients for a scrumpdiddliyisious time.

West Comp (Continued)

The West Camp Wolverine's (Me-Ke-Je-Wan's first professional veterpolo team) will challange any five people to a game of waterpole any time.

There is a rumor that West camp Kitchen Steff will go on strike and discontinue work at 5:00 Monday night if 'rvilla's missing pie tin is not returned.
