WEST CAMP

All available OA members should meet at the West campfire bowl after dinner.

A reminder to all scouts: Please don't let merit badge work go to the last minute. Go and finish your last minute merit badge work up now!!!

All OA members:

There will be an important work project for all OA members immediately following lunch. Meet at flag pole as soon as the meal is over. We need everyone's help.

Message of the day:

GENERAL INTEREST

To all staff and scoutmasters:
I would like to thank all staffers in both east and west camps for their quick and efficient response to the emergency at the East Camp Waterfront yesterday. I would also like to thank the scoutmasters for their help in making a quick account of their scouts. Efforts like these keep the scouting aquatics program one of the safest programs in the world.

My heartfelt thanks for a job well done.

Steve Loeschel
East Aquatics
Director

EAST CAMP

There will be water safety demonstration for Iroquois and Sioux Villages this afternoon at 2:00 PM. Make sure you attend.

EAST CAMP (cont'd)

All troops are invited to attend the East Camp Water Carnival at 3:30 P.M. at the East waterfront. Family Camp residents are invited and welcome.

FAMILY CAMP

On August 6 the following girls swam the mile:

Nancy Tsuru
Therese Bartholomew
Kathryn Dunn

Congratulations!!!

Today several residents of Family Camp went High Adventuring on the Wolf River Raft Trip.

Where, Oh Where, Oh
Where is Suzy
