Someone has gotten my "Good-guy" Larry mad! He informs me that someone has "Ripped-off" a 1/2" double pulley block. If you have any knowledge of its presence, please contact me - Bob Olson.

All people who wish to do so, but have not yet done so, please, contact Roger Holman at the Waterfront.

Congratulations: Greg Symon, Tim Lynch and Ken Quigley of Troop 53, Commanche; and Dave Fireside of Troop 39, Iroquios are the first scouts since 1936 to successfully unravel the amazing MaKaJaMaze at Crown Point Commissioner Site. Who will be the next one?

With the Brains of Dave Miles and the Brawn of "Noz" we have constructed a tent with no stacks at Fort Ticonderoga. Come and see for yourself.

For those Scoutmasters from Delaware, Shawnee, Menominee and Souix who missed us the first week of camp, we will be cooking a dinner at Fort Ticonderoga to show you what real camp food tastes like. Mess will be served at 6:00 sharp.

Field Sports - Congratulations to Loren McFarland for shooting a 41 and Frank Huschitt for shooting a 44.

BARRY'S BRIEFS

Yesterday the West Camp Staff defeated Bridger Village in the First game of the Interscoutlastic Tournament. The Staff also won the second game of the Interscoutlastic Tournament by defeating Crockett Village. This shows that the Staff still controls the Volleyball Field.

Today at 1:00 pm an exhibition game will be played on the Volleyball Field. The West Camp Staff will give the Scoutmasters a Guided Discovery into the game of Volleyball. All scoutmasters and their assistants are invited to attempt to beat the staff. Don't miss it. This could be the game of the century.

West Field Sports - Silver Bullet: Mike Hutchens of Troop 72 - Score of 42.

AND now it's time for number three in the series about horses. Are you ready?

There once was a place called West
Whose tickets were always the best.
If you take out a horse
you will have fun, of course
But still come to the best which is West.

BUT YOUR HORSE TICKETS AT THE WEST CAMP OFFICE

SPECIAL:

The 1975 Ma-Ka-Ja-Wan camp staff would like to thank Bob and Pat King for the hospitality they showed us last night. Once again, HAPPY BIRTHDAY to all those who had birthdays.

Congratulations to Troop 92, which attempted the first MKJW overnite raft run. We hope your sleeping bags have dried out. It has been whispered to us that Paul Jordan is ready to agsin whenever you are !

All people going to the Fish Hatchery meet at the mess hall after dinner.

West Waterfront Briefs -

- (1) Our first fantastic water carnival extravaganza will be held Thursday evening at 7:00 pm sharp. A list of events will be passed out to all scoutmasters Tuesday so that everyone can sign up for their favorite events. Start planning now for a fun experience.
- (2) Found at waterfront - several items of clothing and a camping skill award belt medal. If you have lost anything at the water front please come and claim it. (But remember, the official Lost and Found is the West Camp Office.)

Dear Peppermint Patty,

We always seem to have trouble with the staff getting through the kitchen on Arvilla's day off. Could this be because Nancy is her replacement?

The East Kitchen Staff

Dear Kitchen Staff,

Sounds like the staff is ready for a night out of camp.
