It was reported that Fred, the elusive woodchuck, was trapped in Garbage Shack yesterday. The valiant efforts of Lee Matthews of Eco-Con and several staffmen were to no avail, the ruthless beast escaped. This is the second time Fred has escaped from the secure guard of Lee Matthews. This brings a question to mind: Is Lee being payed by Fred to let him loose???? Does this mean the jail warden is on the take for a couple of half-chewed lettuce heads a day.

Signed - A Concerned Compatriot

East Camp would like to welcome Mr. Vern Buland, who will be serving as the Commissioner for Mohawk, Sioux, Delaware and Shawnee Villages this week.
