(The Only Newspaper in Pearson, Wisconsin)

Guess what everybody? This is the last issue of the Ma-Ka-Ja-Wan Smoke Signals for the 1977 Camping Season. Sob!

Gee time flys when you have fun ... But it's time to get our Camp ready for the Winter season. Hope we see all of you back here again next Summer. Take Care!

A BIT OF HUMOR THIS MORNING FROM EAST CAMP?

If ever you happen to take a walk down to the East Camp Commissioners Site, you might hear intelligent conversation like this:

Camper: Mr. Aronson, Sir, How do you make a bed roll?

Barry: Push it! (real original, isn't it)

NOW, SOME COMMON SENSE FROM EAST FIELD SPORTS!

A "49" was shot at East Field Sports yesterday, to take the Highest Score of the year in EITHER Camp. This is truly an outstanding score. So s 21 gun salute goes out to Erik Kolflat.
