EAST CAMP

Shawnee has shower clean-up duty today.
 Hey, Sports Fans! Today is East Camp's day to go horseback riding. SM's see your camp director right after lunch for sign-up. There are 8 spots open at 2:00, 3:00 & 4:00 PM. (Gid'em up, Scout.)

Eco-Con-To all Scouts taking Environmental Science: There will be an Environmental Science Study Hike, Thursday afternoon at 2:00. Meet at the Eco-Con site with your Environmental Science book, paper, & pen. To all Scouts that did not take the hike Tuesday, this is a mandatory hike in order to complete the merit badge. Signed, "The Wilderness Men" Dave Soloway, Ken Beauvais

(More, more, more)

Attention, East Camp Shotgunners: The West Camp shotgun shooting and Artillery Battery challenges you, under the leadership of any Field Sports staffman that you deem worthy of such an honor. This means, in short, Dave, get a skeet team together and practice--you'll need it. Your host shotgun, Kev, and the Shotgun & Field Artillery Battery will hold this event on West Skeet Range, which has the most up-to-date modern equipment.

Waiting for your reply,
"Shotgun" Kev

Field Sports--A twenty-one gun salute (Bang X 21 = 21 gun salute) goes to Erik Meade and John Sanderson, both of Troop 260. Yesterday, they came down to the Rifle Range and each of them scored a 46. That's pretty good, just for putting some little pieces of lead in a piece of paper.

The Rifle Range will be closed today from 4:00-5:00, EXCEPT for Troop 23, Chippewa Village, which has a troop shoot. Mohawk Village has a troop shoot from 7:00-8:00.

Remember, a lot of Scouts are signed up for NRA. Don't be the last on your block to join.

****To the Men of M.O.R.A.L.E.--SUFFER, guys--I'll get even.***

The one-horned yak (or unicorn) sighted yesterday at the O/A. L dge has been sighted again moving toward Whitney Village. I think it's going after that barking spider. Better take some protective measures, West Camp.

East T.P.--Today, at your friendly East T.P., is Hansmann's favorite item day. With any purchase, you get a guess at "Hannie Babies" favorite item. If you win, you will receive, 1) a free coke; 2) a free survival kit; and 3) a free linepass, which enables you to receive immediate service during all normal business hours. Signed: "Friendly" Dave

EXTRA-EXTRA-LATE BREAKING NEWS STORY FROM WEST CAMP--Down in Balsam Forest, where the arrows are ripping, so, come on down at Freeshot time, from 2 to 5 PM, or 7 to 8. Also, try the action archery, if you want to improve your skills in bow-hunting. Today, Troop 153 has a Troop shoot at 3:00 PM. Thank you, Troop 83, for helping move the 50 yard target. ←

To All the Camp--a thank you to all the people for your effort to come down and work at the O.A. Bowl last night. Thanks to the campers of both east and west. Also, to most of the West camp staff and to those in the east staff who helped, Mark H. and Ken B. Today at 8:00 PM, all O/A members should try their best to come and help at the bowl.

Yours, O/A Ranger,
"Bo" Hopkins

(The best is yet to come)
