Vol. V No. 7

After last night's rain storm, the Ad building will be accepting reservations for space on the Ma-Ka-Ja-Ark..space is limited, and the cost is nil. The only complication is that anyone who wishes space must have duplicate, so that all spaces can be filled two by two. For some reason, we have a feeling that there will be alot of empty spaces.

WEST CAMP

The wrestling match between Jim Erickson and John Pry will not take place in the mess hall tonight. Erickson says an old wrestling injury would not permit him to compete for Ma-Ka-Ja-Wrestler of the Year. Pry will automatically be awarded the Ma-Ka-Ja-Wrestler of the Year Award. Which is a free coke at the T.P. Congrats to John Pry.

Happy Birthday to Duffy Richardson, 12 years old-Troop 63, Blackfoot.

FAMILY CAMP

When the Jensen's were asked, "Who has the darkest tan line?", the answer we got was, "I do"! Sure glad we all know!

Isn't it super we're having so much rain? The ducks are thoroughly enjoying it, and that's about all.....

Thanks to the Prince family for being so understanding and patient.....

That's all for now, folks. Be sure to keep your umbrellas and rain coats handy--from the looks of things, you're going to need them both.

Thought for the day--Stay dry--stay happy!! Think S-U-N!!!!!!
